

## ABOUT THE FIRST LONE PINE DIA DE LOS MUERTOS FESTIVAL 2016

There are three main components to the event:

**1. The Main Street Ofrendas(Altars) display & walk on Monday, October 31,** in conjunction with the very popular, annual Lone Pine Main Street Trick or Treat, similar in structure to the Chocolate Walk in Bishop. Artwork in the form of Dia de los Muertos Ofrendas will be on display at participating business/organization space. You are invited to walk through town, view ofrendas, and participate in a contest by voting on your favorite ofrendas. They will remain on exhibit available to vote on during that week culminating with the Lone Pine Dia de los Muertos Festival on Sunday, November 6, at Spainhower Park where the winners will be announced.

**2. The Lone Pine Dia de los Muertos festival at Spainhower Park on Sunday November 6.**

A day of cultural celebration with a variety of components including, traditional music and entertainment, arts and crafts, children and family activities, food and beverage vendors, face painting, etc. The winners will be announced and awarded prizes.

We invite participation, attendance, and celebration from community members and visitors of all cultures and ages, both Hispanic, and non-Hispanic in Inyo County, portions of the 395 corridor, and beyond.

**3. Call for Artists & workshops preceding the festival.**

- As part of our educational and community outreach, we will hold a series of cultural, and arts & crafts workshops, and activities, with focus on families and children. We will also call for wide spread community participation, with added focus on local artists and other creatives to create Ofrendas to display.

## DIA DE LOS MUERTOS DATES BACK TO THE ANCIENT AZTECS

It is a traditional Hispanic cultural celebration of beloved and deceased, family, friends and ancestors. It is a family centered, joyful, symbolic and colorful celebration of life using arts and crafts, music, dancing, foods and beverages, flowers and costumes.

Ofrendas (altars) are at the heart of the celebrations and are created in remembrance and honor of the beloved.

Symbolic decor includes candles, bright-colored flowers, especially marigolds, favorite foods, sweet bread, whimsical folk art and caricatures in the form of skulls and skeletons, provide some of the final touches.

In the USA Dia de Los Muertos events and festivals are very popular, cross- cultural, and held annually in many cities and communities. Relevant merchandise is available for purchase in mainstream stores and catalogs. Many art and cultural museums and venues host Dia de Los Muertos related exhibitions.

The contextual focus of the Lone Pine Dia de los Muertos Festival is to celebrate, be educational, and promote diverse cultural and creative participation.

We will outreach to the public within the Lone Pine community, and the greater Inyo County and “395 corridor”.

The festival will be of interest, offer entertainment, and serve to bring culturally and age diverse participants and visitors into our community and businesses.

The festival will include various Dia de Los Muertos-related components including arts, crafts, decor, food, beverage, vendors, ofrenda exhibits in town locations, music, dancing, costumes and face painting.
